

KPMG PHASE 3

CLIENT: Old Mutual Properties

VALUE: R157 Million

COMPLETION: 2015

This phase of the KPMG projects culminates phases 1 and 2. The building has high end finishes, and architectural décor including aluminium and glass facades.

The building has 3 office blocks spanning 7635 m². The building also has 2 atria which are each 12m high as well as a gallery. This building has a modern twist but still maintains conformity with phases 1 and 2.
